PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA DOCKETING DEPARTMENT NOTICE OF FILING AND HEARING DOCKET NO. 2008-220-G

Frontier Communications Corporation ("Frontier"), New Communications of the Carolinas, Inc. ("NewLEC"), New Communications Online and Long Distance, Inc. ("NewLD"), Verizon South Inc. ("Verizon South"), Verizon Long Distance LLC ("VLD") and Verizon Enterprise Solutions LLC ("VES") have filed a Joint Application with the Public Service Commission of South Carolina ("the Commission") for approval of the transfer of certain local exchange and long distance businesses in South Carolina to companies to be owned and controlled by Frontier and for such other approvals as may be deemed necessary to complete this Transaction ("Transaction"). The Joint Application was filed pursuant to S.C. Code Ann. §§58-3-200-58-4-300, and 58-9-310. According to the Joint Application, Verizon South's incumbent local exchange carrier ("ILEC") operations will be transferred in their entirety to NewLEC, which will become controlled by Frontier pursuant to a parent company merger. Furthermore, the Joint Application states that certain long distance customers of VLD and VES in South Carolina will be transferred to NewLD, a subsidiary of Frontier.

The Joint Application states that at the completion of the Transaction, Verizon South will no longer conduct business in South Carolina, thus Verizon South requests that the Commission approve its withdrawal from the market. Additionally, NewLEC requests that the Commission transfer Verizon South's authorization to provide local exchange service in South Carolina to NewLEC, subject to alternative regulation. In the alternative, NewLEC requests that the Commission grant it a Certificate of Public Convenience and Necessity (CPCN) to provide local exchange service in the exchanges that are currently serviced by Verizon South, subject to alternative regulation. NewLEC also requests that the Commission transfer Verizon South's payphone CPCN issued in Order No. 97-401, Docket No. 85-150-C, to New ILEC. NewLD requests that the Commission grant it a CPCN to provide competitive inter-LATA and intra-LATA resold telecommunications (except local exchange services) throughout South Carolina, subject to alternative regulation pursuant to S.C. Code Ann. §§58-9-585. Moreover, NewLD

requests that the requirements of S.C. Code Ann. §§58-3-200 be waived with respect to the transfer of customers from VLD and VES to NewLEC. Finally, NewLEC requests that it be given the same Eligible Telecommunications Carrier ("ETC") designation previously granted to Verizon South. The Joint Application indicates that the parties request that the Commission approve the proposed Transaction within one hundred twenty days.

The Joint Application states that, immediately following the completion of the Transaction, Verizon's end-user customers will continue to receive substantially the same services, service rates, and service terms and conditions as immediately prior to the Transaction. In other words, NewLEC and NewLD will file new tariffs appropriate to adopt the rates, terms, and conditions in the tariffs under which the Verizon companies have been operating in South Carolina, thus, customers will continue receiving substantially the same services, at the same rates and with the same terms and conditions, as they were receiving before the Transaction.

PLEASE TAKE NOTICE a hearing on the above matter has been scheduled to begin at 2:30 p.m. on Thursday, August 27, 2008, before the Commission in the Commission's Hearing Room at 101 Executive Center Drive, Saluda Building, Columbia, South Carolina 29210.

Any person who wishes to participate in this matter, as a party of record with the right of cross-examination, should file a Petition to Intervene in accordance with the Commission's Rules of Practice and Procedure on or before July 13, 2008, and indicate the amount of time required for his presentation. Please include an email address for receipt of future Commission correspondence in the Petition to Intervene. **Please refer to Docket No. 2008-220-G.**
